

Membership Message 4/2021

Dear Members,

### **WACA Council Meeting**

Member Clubs' WACA Representatives and Members-at-Large are reminded to send to my attention any item(s) they would like to be included on the 1st Virtual WACA Council Meeting 2021 agenda. The Meeting is scheduled to be held this forthcoming Sunday, 21 March.

### **Office Restrictions Update**

The city of Montreal continues to be in a "red zone" due to the COVID-19 pandemic but gradual openings of shops, cinemas, swimming pools, museums, gymnasias, etc. continues with strict limits on the number of people allowed in the premises at any given time. The province is still concerned about mutations of the virus that have now been introduced so restaurants, stadiums and offices remain closed and the curfew from 20:00–05:00 also remains in effect. It is now assumed that these restrictions will continue into April so I continue to work from home until the situation changes. On a personal note, I am happy to report that I have had my first inoculation of two against the virus.

### **Obituary**

It is with great sadness that we have learned about the demise of Fauzi Bakhberh on 12 March after he had been diagnosed with fourth stage cancer last July. Fauzi was the former Secretary of the Singapore Interline Club and will be well known to many members from his participation at numerous WACA AGAs. Our sincere condolences are extended to his family and close friends in the Singapore Interline Club.
