

Dear Members,

WACA Forum

We are pleased to announce that WACA will be hosting an International Forum, Sustainable Solutions for the Aviation Industry, to be held in conjunction with the 55th AGA on 20 September at the 4-Star Ravenala Attitude hotel in Mauritius. This is an exciting first for the Association and we are hoping to attract some of the most influential representatives in this most important area of the industry. *It is also my pleasure to advise that all 55th AGA participants will be able to attend the Forum and the following lunch for free.* Complete details about the Forum can be found in the attached.
