

Dear Members,

WACA Association's Supporting Team Meeting

The 2nd Virtual WACA Association's Supporting Team Meeting of 2021 is scheduled to be held on 11 July. Member Clubs' WACA Representatives and Members-at-Large are requested to send to my attention any item(s) they would like to be included on the agenda.

The 2021 Interline Festival

The main item on the agenda at the Association's Supporting Team Meeting will be the The 2021 Interline Festival scheduled to take place from 17–23 October in one of the preferred locations of the Seychelles, the Maldives, Mauritius, Malta or Dubai. As previously advised, it was decided at the previous meeting that there should be no financial consequences if it is decided to host the event and then have to cancel at a later date. A deadline date on whether to host the event or not will be made at the meeting.

IATA Travel Pass

The IATA Travel Pass could be our ticket to quarantine-free travel! The application helps you store, verify and share your test and vaccine certificates. It is currently in trials with various major airlines with the intention of it being adopted as the industry standard: www.iata.org.

Madeira Airport Charity Donation Box

The Charity Donation Box located in the check-in area of Madeira Airport where departing passengers can make an unsolicited donation, is still active and contact continues with a non-governmental organization (NGO) Fundação D. Jacinta Ornelas Pereira which is based in Madeira and looks after the interests of needy children. The Association Airline Ambassadors and WACA are closely following the project and are most grateful to SKYPRO, an IATA Strategic Partner, based in Portugal for its support to assist the needy children in Madeira at the Reabilitação de Edifício Fundação e Infantário. Adding to the charity box donations, SKYPRO has donated an initial EUR 1,000.00 and is expected to make further donations after assessing the merits of the project.
