Pre-AGA Tour: Java Grand Tour (9–16 October)

Java is a volcanic island of Indonesia between Sumatra and Bali and home to more than half of its population. Over the years, the island has grown as a tourist destination with its active volcanoes, ancient temples, monuments, lakes, beaches, hills, markets and tea plantations attracting travellers from all corners of the globe. Space is still available on this tour that will take us to many of these fascinating, wondrous and often little known attractions.

AGA Package (16–21 October)

Bali, Indonesia's most famous island, is located to the west of Java in the Lesser Sunda Islands. It is world-renowned for its scenic rice terraces, fragrant cuisine, stunning beaches and a galore of culture and tradition. With its elaborate temples, endless coastline, some of the world's best coral reefs, waterfalls and retreats, Bali combines leisure and adventure impeccably. The island also boasts some of the best sunsets and sunrises in the world. Bali is where people from all over the world come to lose themselves. Space is still available at this very special AGA location.

Post-AGA Tour: Komodo National Park: Land of the Dragons (21–24 October)

The tour is sold out with a waiting list set up. Please advise if you would like to be added to the list. Detailed itineraries and registration forms for all of the above events can be found on the WACA website: www.waca.org/events/pages/default.aspx.
