

Membership Message 10/2020

Dear Members,

Mandatory Office Closing Update

The province of Quebec continues to gradually allow businesses to reopen under strict conditions and in stages following the easing of restrictions that were imposed due to the COVID-19 pandemic. Each stage allows specific types of business to open but so far there still has not been any indication when a stage will be implemented that will allow offices such as WACA's located in large buildings to reopen. The situation, therefore, remains that I still cannot work from the WACA office or receive any post until further notice. I continue to work from home where I can remotely access some of my WACA office documentation as well as viewing and responding to e-mails.

The 2020 Interline Celebration

As advised in the previous Membership Message, the WACA Council proposes to have an annual gathering in the form of a "mini AGA" this year which would become the 2020 Interline Celebration sometime in October/November. It is intended that the Celebration will be an occasion to review the current affairs of the Association and define our future goals taking into consideration the affects of post COVID-19 as well as organise tours and evening social events.

Currently information about the cost and logistics to host the Celebration in the easily accessible European city of Amsterdam at the end of October is being obtained. The Council will, of course, make its final choice of venue where our members can safely meet in accordance with the host country's government restrictions on travel and public gatherings. Once all relevant information has been obtained, and a decision made on the venue, a programme and detailed itinerary will be issued to the membership.

WACA Contact

A June 2020 issue of the WACA Contact is attached to this e-mail which replaces all previous issues. Please review for accuracy any specific entry that applies to you and/or your Club. Should you require an amendment to an entry in the Contact please forward your request by e-mail to my attention: millerk@iata.org.
